

## Stakeholder Survey

February 10, 2016

The Huronia Airport Commission is in the process of updating our 5 year Business Plan. The Business Plan will cover the years 2016 – 2021. We welcome input from our stakeholders. Please take time to answer the questions below and return your completed survey to the Huronia Airport Administration office by February 29, 2016. This survey will be available to download from our website should additional copies be required.

1. In what areas of service do you think Huronia Airport is doing a good job?

---

---

---

---

---

2. In what areas of service do you think Huronia Airport needs improvement?

---

---

---

---
